Project Management & Design Pty Ltd (Promand Australia) is proud and excited to announce the opening of Promand Asia (M) Sdn Bhd located in Kuala Lumpur Malaysia.

We are committed to supporting the SE Asian market and look forward to providing even better support to our existing and new customers in the region.

Leading Promand Asia is Mr Norsham Effendi who brings more than 15 years of dynamometer experience to the Promand team. Norsham's accomplishments in sales and service of dynamometers in Malaysia include major customers like Proton, Petronas & Modenas as well as many smaller companies and educational institutes.

We thank you for your past support and look forward to growing our businesses together.

Yours sincerely,

Peter Skalak, Bernard Regan, Peter Farley
